25 – 27 September 2020

From	The Stewards	Document	407
To	The Team Manager	Date	26 September 2020
	Velocity Racing Development	Time	11:50

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from driver Matt Round-Garrido and team representative Dan Mitchell, have considered the following matter and determine the following:

No/Driver	27 – Matt Round-Garrido
Competitor	Velocity Racing Development
Time	11:01
Session	Practice 1
Facts	After making contact with the barrier on the outside of turn 17, the driver moved the car to the inside of the track, got out of the car, and remained on the track rather than immediately going behind the barrier. The unsafe situation that resulted from this action caused the session to be stopped.
Offence	Breach of Article 15.5.1.i of the Sporting Regulations.
Decision	3 grid place penalty for the next race and a driver fine of \$250.
Reason	The Stewards determined that the driver's exit from his car while cars were on the circuit constituted an unsafe act and a failure to take reasonable measures, thus resulting in an unsafe situation.

The Competitor is reminded of his right to appeal in accordance with Article 47 of the Sporting Regulations except where the penalties are not susceptible to appeal (Article 16.3 of the Sporting Regulations).
